Dear Mrs. O'Donnell:

Please find attached the original and ten copies of the Attorney General's Supplemental Request for Information in the above matter. Because there are confidentiality agreements which control the exchange of material to varying degrees between the parties, I provide the following breakdown of the information which has been filed with the Commission as well as the particular draft which each party has received. All Redacted Copies are filed under seal in one envelope by item number as listed.

- Item 1 Commission: Unredacted Copy of All Requests, Redacted Copies of All Requests, and All Items Listed Below
- Item 2 E.ON U.S. Parties: Redacted Copies of All Requests
- Item 3 Big Rivers: Redacted Copies of All Requests
- Item 4 BREC's Member Cooperatives: Redacted Copies of All Requests
- Item 5 Smelters: Redacted Copies of All Requests
- Item 6 Henderson: Redacted Copies of All Requests

The basis for the "roadmap" employed for ascertaining the degree of disclosure resulted from a series of emails pursuant to my inquiry on the subject. It is the hope and the intent of the Attorney General that no inadvertent disclosure has occurred yet that all
